

**LEAGUE OF
IRELAND**

MEDIA GUIDE 2026

LEAGUE OF IRELAND

LEAGUE OF IRELAND, DIRECTOR MARK SCANLON

After history was made in 2025 with Shamrock Rovers' double, we're set for a tantalising season in the League of Ireland. I'd like to thank the members of the media for their continued excellent coverage of our League which is growing every season with more and more in-depth analysis and variety of formats every week playing a crucial role in the popularity of the League.

After the introduction of Virgin Media Television and Off The Ball alongside TG4 and an ever-growing platform on LOITV, our League has never been as visible or accessible.

With 36 live games upcoming again on Virgin Media Television, we're looking forward to seeing the drama unfold starting off with a double header on the opening weekend with Shamrock Rovers hosting newly promoted Dundalk and Bohemians returning to the Aviva Stadium to face St. Patrick's Athletic.

LOITV is available globally through a range of subscription models to cater for all demand bringing unrivalled access to over 550 live games in 2026 and we were delighted to see subscribers grown again last year making sure every fan can see their team anywhere they are throughout the season.

We are also delighted to extend our agreement with TG4 in the SSE Airtricity Women's Premier Division as we will have 17 live games including the Women's All-Island Cup Final and Women's FAI Cup.

Alongside our new television and streaming agreements, we also have agreed a new three-year deal with Newstalk and Off the Ball which will see 33 live commentaries from the SSE Airtricity Men's Premier Division.

Therefore supporters will be able to witness all the exciting storylines whether it be the title races, promotion pushes or the hunt for Europe in more ways than ever before.

It has never been more exciting to be a supporter of the League of Ireland and as attendances and audiences continue to grow, I would like to wish all the players, fans, staff members, volunteers and members of the media the best of luck in the upcoming season.

LEAGUE OF IRELAND

NATIONAL LEAGUES COMMITTEE CHAIRPERSON DERMOT AHERN

Welcome to the new guide for the 2026 League of Ireland season. Following last season's historic season as Shamrock Rovers clinched a famous Double, I'm sure we're all excited for an even better 2026 across the three Divisions. The League continues to grow in numbers everywhere we look and we're excited to see this again in the coming year.

The National Leagues Committee (NLC), of which I am Chairperson, oversees the Men's Premier and First Divisions, and the Women's Premier Division as well as the LOI Academy Development Programme. Our responsibilities are to support the Board of the FAI in the promotion and administration of all professional, and elite level adult football together with all underage leagues run by the FAI. We hope to build on the excellent work carried out by the committee in the past year and to help create a brilliant future for all of our Clubs.

Great credit must go to all the Clubs, their staff, players, and volunteers for seeing the rise in attendances and increased coverage of the League of Ireland. Last year also saw the award of funding for the LOI Academies which we are extremely grateful to the Government for and we're already working hard in tandem with them and Sport Ireland along with the Clubs to maximise this potential.

With more eyes than ever on our League, now is the time to create much larger audiences for this brilliant League of

ours and also for supporters to help spread the word far and wide.

Finally on behalf of the National Leagues Committee, I would like to thank SSE Airtricity for their continued support of the League of Ireland with their sponsorship of the SSE

Airtricity Men's Premier Division, SSE Airtricity Men's First Division and the SSE Airtricity Women's Premier Division. I also want to thank DMG Media for their continued support as official media partner of the League as well as Rockshore who were a great addition to the League last year. Enjoy the new season!
